

Ideation Phase

Empathize & Discover

Date	26 June 2026
Project Name	OptiCrop
Maximum Marks	4 Marks

Empathy Map Canvas:

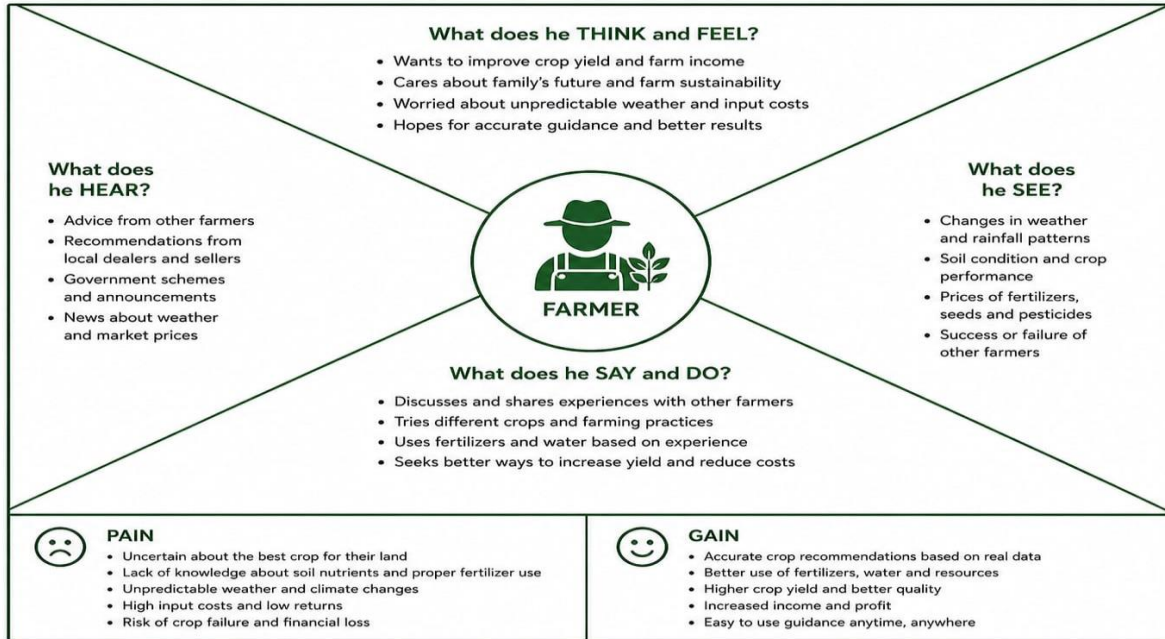

The **Empathy Map** for the **OptiCrop – Smart Agricultural Production Optimization Engine** helps the team understand the needs, challenges, and expectations of farmers. It provides insights into their decision-making regarding crop selection, soil management, and resource utilization.

By understanding the farmer's perspective, the team can develop an intelligent solution that provides accurate crop recommendations based on soil nutrients and environmental conditions, improving productivity and promoting sustainable farming.

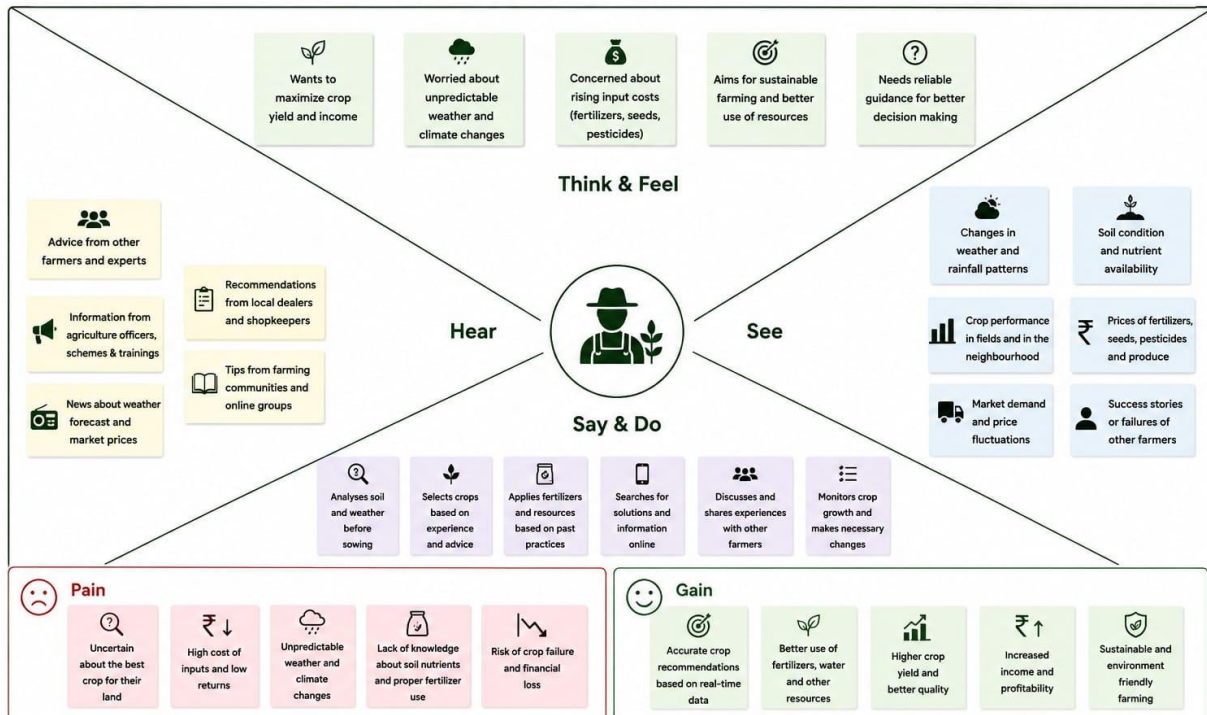

Example:

EMPATHY MAP

Project: OptiCrop – Smart Agricultural Production Optimization Engine

Example: OptiCrop – Smart Agricultural Production Optimization Engine

OptiCrop empowers farmers with data-driven insights to make the right decisions, improve productivity and build a sustainable future.
